KYOTO GARDENS

Bring You To Another Kyoto

Why don't you enjoy Kyoto by exploring its gardens? You've seen enough of temples and shrines throughout Japan but temples in Kyoto have beautiful gardens. You will be very surprised by their fascinating and very unique gardens. We, Japan P.I.Travel take you to several types of gardens such as a landscape garden which may lead you to the profound Zen world or garden with a tranquil pond reflecting summer green leaves and autumnal foliage. Also you will be able to see plants of each season. You will feel Zen and see real beauty of Japan with an English speaking guide by strolling through gardens. There is no doubt that you will be enamored with Japanese gardens. Do not forget to bring your camera!

The tour visits...

Spring: Daitoku-ji temple and three more guide's seasonal recommended gardens

Autumn: Daitoku-ji temple and four more guide's seasonal recommended gardens

Other seasons: Tenryu-ji temple, Daitoku-ji temple and three more guide's seasonal recommended gardens

Or please request your favorite garden when you book.
